Greetings,

The holiday season is here and we are busy up at the club. Thanks to all that participated to make our Friendsgiving Dinner a big success. As we look forward to December and January, we have a busy schedule ahead. Please see the articles in this newsletter for details.

During this holiday season, we are holding a Food Drive for Poulsbo Fishline. Please support our local food bank by bringing in non-perishable items by December 17. Be sure to not bring expired or past date food.

We will also be participating in the Coffee Oasis Christmas Tree event to purchase gifts for children in our community. More details will be coming soon so watch for information in the lounge on how to participate.

As you may have heard, our small hall is being refurbished and will soon become our game room. It will house our pool tables, shuffleboard and dart boards. The walls have been painted, thank you Jared, and the floor is soon to be replaced. This repurposing will allow for more room for events like Pool League Tournaments and give us all room to breathe as we enjoy our friendly competitions. Our current game room will become a multi-purpose room where we can hold our Aerie meetings. We are all looking forward to these changes to make our spaces more efficient and enjoyable.
