Valentine Ornaments Workshops

There are 8 seats available in each of two Cinnamon Scented Valentines Ornament Making Workshops. Prospective dates are February 3, February 4, or February 10. Sign-up sheet is in the lounge and the first days filled will be the dates for the workshops. Cost is \$30 per person and includes all materials.

Greetings,

Do you know that our Aerie turns 50 years old in October 2024? As we work to plan a celebration, we hope you will take the time to locate and share with us pictures from these past 50 years together. If you would like to help with the celebration planning, or if you locate a picture you can to share, please contact Karen Dalton at 360-509-7323. Thank you for helping us make this a celebration to remember!

It is time to start planning for a new slate of officers for the 2024-2025 year. If you are interested in serving in any position, please submit your letter of interest before April 20 to any current officer. Nominations will occur on April 20, elections on May 4 and installations on May 18.

As you will see on page 2 of this newsletter, we are including information on the proposed new hat pin design for the club. A vote on adoption of the new design will happen at the February 17, 2024 Aerie meeting.

We are going back to our once every two months newsletter format. If you wish to receive the newsletter via email, to save us the costs of printing and mailing, please provide us with your address.

In service ~ your North Kitsap Aerie 3586 Officers

New logo option for club hatpins and clothing

Members asked for a new logo option for our club's lapel pins and clothing. As you may be aware, our current hatpin is a geoduck to commemorate the inaugural dinner of geoduck chowder enjoyed by our founders.

The Trustees explored options and then commissioned a local graphic designer, Deirdrie Helsing to design a new logo for us following a vote of the Aerie. Our request to her was to include a geoduck in the design and to also have the design be inclusive of the entire North Kitsap region, rather than be specific to Poulsbo, because we are North Kitsap Aerie 3586.

The design she came up with is below on the left, and our current hatpin is pictured below on the right. We appreciated that she was able to incorporate the geoduck to honor our past, and we liked the subtle tribal look because that honors our location, as Kitsap County was named in honor of Chief Kitsap of the Suquamish Tribe. And of course, the strong eagle design honors the Fraternal Order of Eagles in general.

Now that we have the new design, we are presenting it to the membership to get their feedback. Please let any officer know your thoughts. **The membership will vote on adoption of the new design at the February 17, 2024 Aerie meeting.**
