It took many, many hands to make our new Eagles Nest game room a reality. Thank you to everyone that had a hand it making it happen! It is a wonderful extension to our spaces and will be enjoyed by all for years to come. Please help keep it clean and tidy.

Greetings,

Do you enjoy the Call of the Eagle? Mandy has been publishing this newsletter since 2020 and it's time to pass this task on to a new volunteer. If you would be willing to continue this tradition, please contact Mandy or any officer.

Our annual Summer Celebration & Pig Roast will be held July 4th - 6th. To volunteer to serve on the planning committee see Ellen. Don't forget to make your camping reservations early before slots fill up.

We need hosts for Karaoke, Barstool Bingo and Trivia - training will be happily provided. We also need cooks and bartenders. If you would be willing to lend a hand, please let any officer know. Thanks!

An Automatic External Defibrillator (AED) was donated to the club and is installed in the front hallway. No training is needed, the device walks you through what to do. Be aware of it's location in case of emergency and remember, always dial 911 FIRST. We are looking into CPR and 1st aid training for members, so watch for information in the lounge.

Red baseball caps with our club's logo are now available in the lounge for \$20. A sample is at the bar.

If your mailing address or email address has changed recently please email secretary@foe3586.com with your new information.

In service ~ your North Kitsap Aerie 3586 Officers

We Need Construction Help!

Do you have construction experience? There are several projects around the Aerie that need the expertise of a carpenter. If you are willing to take on one of these projects, please speak with any officer. The club will purchase any necessary materials. We need your ideas and elbow grease to get things moving on these projects. Please speak with any officer if you can provide help.

Install a Dutch-Door between the kitchen and the new Eagles Nest game room.

A dutch-door will facilitate food delivery to our new game room and slow down disruptive foot traffic through the kitchen.

Build a small storage room in the large hall

To store items in the large hall and keep it looking tidy, we would like to build a small storage room to the right of the stage in the far corner. This would allow storage of chairs and other items out of sight.

Install Movable Partition Wall between lounge and old pool room.

Now that the pool tables are gone, that room can become a multi-purpose room. It is great for overflow lounge seating for events like Thursday Dinners. This room would also make an ideal meeting room when rentals are using the large hall, or when state-wide events are hosted at our Aerie. In order for that to happen, we need a moveable partition to close off the room when needed.

Cover for lounge entry and cooler room entry doors

In order to protect the lounge entry door as well as the adjacent cooler room door, we would like to see some type of awning constructed that would cover both entry doors and protect the doors and the members that use them from the weather.

Repair large hall stage

On the left side of the stage, along the rear exterior wall, the stage has settled causing an unsafe situation. The repair is underway, but we will need to recover the stage.

Trivia Sundays!

**Join us Sunday nights
@ 6:30 pm for our new
trivia games!**

**Gather a team or join us on your
own for some fact filled fun.
Answers are multiple choice.**

Have you played Buzztime trivia yet? You can play anytime by installing the Buzztime Trivia app on your smartphone. For those of you without a smartphone, the club has purchased tablets. Just ask your bartender and they will be happy to lend you one. The Buzztime Trivia app is pre-installed on the tablets, so all you need to do is launch it and join the fun. The large Buzztime monitor in the lounge displays on-going trivia games every day, and you can play along on your own or with friends.

Buzztime also allows us to host our own local trivia games which we have been trying out for the past month. The answers are multiple choice so you can always make a guess. Trivia Night is now on Sundays at 6:30 pm. Bring a team or join us on your own. It's always a night with lots of laughter.
