Greetings Brothers and Sisters of North Kitsap Aerie #3586, we have entered the holiday season! The holiday season tends to not only be a joyous season but one also fraught with stressors coming from multiple sources. Let's face it family gatherings can be stressful. Some of our Brother and Sisters don't have family around or we have our "chosen" family-folks who have become our family that we gather with. This is what our club has become for me and my family. In this spirit, we will be open Thanksgiving! #3586 will be providing the Turkey, Shirley W. and myself be in the kitchen and if you would like to join us, we ask you to bring a side dish. We do ask that you sign up at the lounge if you are bringing something so we can get a head count and an idea of sides (so we don't end up with 20 pumpkin pies). Bring your family if you like - we will have the big hall open to accommodate under 21. Any questions reach out to Robin or Shirley.

Another stressor that has had a direct impact on some of our Brothers and Sisters is the Federal Government Layoffs and SNAP benefits taking a hit. We have decided that we want our members impacted to be able to come to our Thursday Dinners and still have fellowship. If you're experiencing this and would like to come have dinner, please come in on Thursday and let the bartender know (or you can let any of the trustees or officers know). It isn't much but we want to help however we can.

We have finished the exciting Mariners run and now in our Seahawks run for the Superbowl. A reminder that the Lounge is open 30 minutes prior to the kickoff with food/bar specials. Come watch football with your fellow fans!

On that note, the Officers & Trustees want to wish everyone a wonderful holiday season. ~in loving service Robin
